CHANGES IN STATE LAW

Legislative Update for the 2017 Mississippi Legislative Session:

HOUSE BILL 456. Signed 03/01/17. Effective 07/01/2017.

- Extends the repealer on the Infant Mortality Reduction Collaborative enabling statute, 41-89-21, Mississippi Code of 1972, to July 1, 2020.

HOUSE BILL 457. Signed 03/20/2017. Effective 07/01/2017.

- Amends the law on personal care homes to delete the repealer on some provisions of the law that allow personal care home residents to remain in a personal care home even if a licensing agency determines that skilled nursing services are appropriate; provides for rules restricting the handling of personal care home resident's personal deposits by the director of the personal care home; and requires that personal care homes maintain records relating to health conditions and medications.

HOUSE BILL 494. Signed 03/10/2017. Effective 07/01/2017.

- Authorizes the Mississippi State Department of Health to establish the Maternal Mortality Review Committee to review maternal deaths and establish strategies to prevent maternal deaths, and provides that the Committee shall be assigned to MSDH for administrative purposes, and requires MSDH to designate support staff; requires the Committee to submit an annual report to the House and Senate Public Health Committees, including the numbers, causes and relevant demographic information on maternal mortality in Mississippi and appropriate recommendations on how to most effectively direct state resources to decrease maternal mortality; requires that data for the Committee's review and reporting be provided to the Committee by agencies, officials and health care providers having information necessary for the Committee to carry out its duties; requires physicians, hospitals and pharmacists to provide reasonable access to the Committee to relevant medical records associated with a case under review by the Committee and provides immunity to physicians, hospitals and pharmacies providing access to those records; provides that all proceedings and activities of the Committee, opinions of members of the Committee formed as a result of those proceedings and activities, and records obtained and created as a result of the Committee proceedings and activities are confidential and not subject to the Mississippi Public Records Act; authorizes the Committee to compile reports of aggregated, non-individually identifiable data on a routine basis for distribution in an effort to further study the causes and problems associated with maternal deaths.

HOUSE BILL 996. Signed 03/15/2017. Effective 07/01/2017.

- Requires the Mississippi State Department of Health to create and offer training for first responders on the signs and symptoms of opioid overdose; the protocols and administration of opioid antagonists; the signs and symptoms of an adverse reaction to the antagonist; the protocols and procedures to stabilize a patient if an adverse reaction occurs; and the method of opioid antagonist being taught. The law requires that the training be overseen by a physician or pharmacist licensed in Mississippi. Allows the employer of the first responder to provide the required training. Requires that first responders be trained every three years.

CHANGES IN STATE LAW

HOUSE BILL 1330. Signed 04/05/2017. Effective 07/01/2017.

- Repealed the Mississippi Health Policy Act of 1994 (§§41-95-1 through 41-95-4).
