

MISSISSIPPI STATE DEPARTMENT OF HEALTH

**PUBLIC NOTICE**

**MARCH 15, 2024**

The Mississippi State Department of Health Division of Health Planning and Resource Development is preparing to distribute a mandatory survey for all Certificate of Need (CON) regulated facilities and services to update the Mississippi State Health Plan.

The survey will be distributed to the designated contact for the facility and must be completed within 45 days from the date of distribution.

An official notice will be sent to the designated facility contact with the links to complete the survey as well as contact information for any inquiries regarding the survey.

This notification serves to notify all CON regulated facilities that the survey distribution will commence shortly and will be administered electronically.

For further information, please contact the State Health Plan Analyst at [MSHP@msdh.ms.gov](mailto:MSHP@msdh.ms.gov) or (601) 364-1100.
